RE: 2011 Holmes Presbyterian Camp  
and Conference Center Publicity Guide

Welcome!

The 2011 summer camping season is right around the corner. Camping may be the most effective means of Christian nurture to the church. We thank you for taking the time to see that the children, youth, families and adults of your congregation have the chance to receive the benefits of a camp experience.

This packet is designed to simplify your job as partners in camping ministry. Inside are many different ideas and tools to help promote Holmes Presbyterian Camp and Conference Center's camping program. Included are bulletin and newsletter releases with suggested dates for usage that need only to be handed to the person responsible for putting these together in your church. These are also available online ([www.HolmesCamp.org](http://www.HolmesCamp.org)) to cut and paste into documents. In addition to the materials in this packet, camp personnel and volunteers are available to speak during your worship service, youth group, Sunday school, pot luck dinner, or wherever else you think that people need to catch the vision of Christian camping at Holmes Presbyterian Camp and Conference Center!

If you have further questions or comments, please contact Robin Garzoni, Program Director at [robing@HolmesCamp.org](mailto:robing@HolmesCamp.org) or (845) 878-6383. God is continuing to do great things in the lives of people at Holmes Presbyterian Camp and Conference Center. Thank you for assisting us by providing information that will allow them to come!

## HELPFUL HINTS FOR CAMP PROMOTION

ENCOURAGE YOUR CHILDREN, YOUTH, FAMILIES,  
AND ADULTS TO REGISTER FOR CAMP

- Pick a week for your children, youth, families or adults to attend together.
- Set a goal of how many campers you want to send to camp.
- Give “Bulletin Blurbs” (See pages 12-18) to person in charge.
- Choose a Sunday to promote as “Camp Sign-Up Sunday”.
- Be creative with additional promotion.

### SET A CAMP SIGN-UP SUNDAY

*Use this Sunday to kickoff or give a boost to registering campers. Our suggestions are:*

- Select one or two enthusiastic campers from last summer to share with the congregation some of their experiences.
- Prepare a display combining camper photos, memorabilia and camp promotional pieces.
- Prepare a bulletin insert, created by past campers, with drawings and stories about camp.
- Have past campers and/or Holmes Advocate prepared to answer questions regarding camp.
- Invite Robin Garzoni, Program Director, or other camp personnel or volunteers to make a presentation and answer any questions.
- Have pastor and/or Holmes Advocate available to assist in selecting an appropriate camp program and filling out registration forms.

### ENCOURAGE YOUR CONGREGATION TO ATTEND OPEN HOUSE

Sunday, May 22, 2011  
2 pm to 5:30 pm

A chance to enjoy a day sampling some of the varied activities at Holmes. Meet some of the staff and if weather permits, go boating, play games, go hiking, etc. Food will be grilling and available all afternoon.

- Plan a church trip to Open House at Holmes.
- Encourage your congregation to attend Open House

## 2011 HOLMES SUMMER CAMP SCHEDULE

### ENCOURAGE HOSTING A HOLMES AT HOME

- Have one or more people in your congregation host a Holmes at Home Event.
- Invite folks who would like to learn more about Holmes.
- Camp Staff, Board and Volunteers will be in attendance to share information about Holmes Presbyterian Camp and Conference Center programs.
- Contact the Holmes office for more information: Holmes@HolmesCamp.org or (845) 878-6383

### CAMP DISPLAYS

- Choose an effective location.
- Involve past campers to create posters, collages, banners, sign-up barometers, etc., perhaps in the form of a contest.
- Have past campers write in 50 words or less what camp means to them. Perhaps award scholarship aid for the best in each age grouping. Print entries in the newsletter.
- Create displays using pictures of former Holmes campers, and any arts & crafts items they might have.
- Make a “barometer” to show the progress being made toward your goal of camper sign-ups.
- Whatever you do, involve past and present campers, and have fun doing it!

## FREQUENTLY ASKED QUESTIONS ABOUT CAMP

### HOW SOON SHOULD I REGISTER?

As soon as possible. Many events fill very early and it is impossible to expand their capacities. Registrations are handled on a first-come basis.

### ARE MY CAMP FEES REFUNDABLE IF, FOR SOME REASON, I CANNOT COME TO THE CAMP I REGISTERED FOR?

Camp fees are fully transferable to another week of camp provided that there are openings in that camp. If we are unable to register you in another camp, your fees are refundable less a \$75.00 processing fee.

### MAY I REGISTER IN AN EVENT FOR AN AGE LEVEL OTHER THAN THE ONE I SHOULD?

Usually not. Program content is designed to be appropriate for a specific age group. An attempt is made to stay faithful to the age level so that campers don't have an unhappy time dealing with activities that are not designed for their developmental level.

### MAY I ATTEND MORE THAN ONE EVENT?

Yes. In fact, you may register for more than one week-long overnight camp.

### AM I ALLOWED TO ARRIVE LATE FOR REGISTRATION OR LEAVE PRIOR TO THE CAMP'S FORMAL CLOSING?

It is preferred that this not happen; however we understand that it is necessary at times. Late arrival and early departure detract from the total group's experience as well as that of the individual. The Camp Office requires written notification of any arrivals/departures that vary from the normal camp schedule.

### IS SCHOLARSHIP AID AVAILABLE FOR THOSE NEEDING FINANCIAL ASSISTANCE?

Most local churches have campership funds available. Check with your pastor or Session. Should additional financial assistance be needed, please contact the camp office or visit the camp website [www.HolmesCamp.org](http://www.HolmesCamp.org) for more information about camperships.

### HOW MUCH SPENDING MONEY WILL I NEED AT CAMP?

None, a deposit can be put into a canteen account during registration for purchasing tshirts, hats, bug spray, etc. For the camper's protection, the camp prefers that campers have no cash on hand.

### MAY I REQUEST TO BE IN THE SAME CABIN WITH ANOTHER CAMPER?

Holmes encourages that campers meet and interact with other campers from other presbyteries. We do recognize the desire for campers to room with pre-established friends. Therefore, on your registration form, you may write the name of **one** friend with whom you would like to room.

#### WILL MY BROTHER OR SISTER AND I BE IN THE SAME CABIN?

Unless you specifically request otherwise, we will intentionally separate siblings.

#### WHAT HAPPENS IF A CAMPER BECOMES ILL OR INJURED AT CAMP?

Immediate first aid is given by trained staff. For illness needing professional medical care, parents are notified and asked for directions about further treatment. For accidents requiring immediate professional medical care, the camper is transported to an appropriate facility and parents are notified.

#### HOW IS CAMPER MEDICATION HANDLED AT CAMP?

At the time of registration, all medicine and pertinent information is given to the camp nurse. Medications must be in the original bottle with directions for administration. The medicine is stored in a safe place and administered by the camp nurse as directed.

#### CAN CAMPERS MAKE AND RECEIVE TELEPHONE CALLS WHILE AT CAMP?

No. When children come to camp they and you are making a leap of faith, temporarily transferring their primary care from you as their parents to us and their counselors. As children learn to trust other caring adults, they grow and learn, little by little, to solve some of their own challenges. We believe this emerging independence is one of the greatest benefits of camp. It is one important way your child develops greater resilience. We agree to tell you if your child is experiencing a challenge in their adjustment to camp. *You can help* by talking with your child *before they leave for camp* and telling them that there is always someone they can reach out to, whether it be their counselor, the director or camp nurse. We are all here to help, but if *you* don't trust us, your children certainly won't! In cases of emergency, contact can be made through the camp office. Parents, pastors, and advocates are encouraged to write to campers.

#### WHAT HAPPENS IF A CAMPER BECOMES HOMESICK?

An extra dose of love is given to help the camper feel more at home at camp. In some cases, parents are phoned by a camp administrator to discuss the matter. In severe cases, the child may return home.

#### HOW DO I KNOW WHAT TO BRING TO CAMP?

A complete list is sent to each camper with the confirmation packet.

#### WHAT ARE THE QUALIFICATIONS AND TRAINING OF CAMP STAFF?

Summer staff are at least 18 years old and graduated from high school. They are chosen for their ability to share a strong Christian faith, character, maturity, creativity and ability to work with children. Staff spend time in training on topics such as counseling skills, child development skills, Bible study, outdoor living skills and first aid/CPR.

## WAYS YOUR CONGREGATION MIGHT BENEFIT FROM CAMPS, CONFERENCES AND RETREATS

- A church family retreat or camp can greatly increase the sense of community and commitment to support each other.
- Youth experience freedom to express themselves and increase their faith.
- The casual setting can allow the pastor to be seen as human and real.
- Distractions are greatly reduced, helping people focus on spiritual growth.
- A different setting helps people see problems, themselves and others differently.
- Creativity is stimulated naturally.
- New ideas for worship are more acceptable at camp and some can be brought back to the church setting.
- There is an extended period of time to focus on a selected subject, issue or need.
- There is time for reflection helping people assimilate what they learn.
- It offers time and a setting which encourages physical activity and fun.
- The common experience helps strengthen the community and encourages teamwork.
- A natural environment is loaded with images and metaphors useful for teaching.
- Many sites offer services to enhance the success of your program.
- It is an excellent setting to introduce potential new members to the people and mission of the church.
- Summer camp staff gain valuable Christian leadership experience, benefiting the church at all levels.

## Summer Camp 2011 Daily Bible Theme

A ministry & mission of Hudson River, New York  
City and Long Island Presbyteries - PC(USA)

While each camp offered has its own individual style, all camps at Holmes this summer share a common theme:

### Got Spirit?

Wonder	Psalm 8
Gratitude	Luke 17:11-19
Hospitality	Luke 24:13-35
Generosity	1 Corinthians 12:1-26
Worship	Psalm 96
Living in Christ's Love	John 15:1-17

Each week our Worship Leaders and staff help deepen our understanding of God, Jesus and our Faith. During Bible study and Vespers, campers will explore Bible stories that examine different ways God reveals God's self to the human family. Campers will seek God as Maker of creation, in moments of gratitude, in the person of the stranger, in the Church the Body of Christ, in moments of worship and in our prayers and acts of mercy towards others.

In addition to the intentional curriculum of Holmes, campers will learn and grow in Christian community during their time at camp.

## HOLMES ADVOCATE

One of the most effective ways to promote Holmes' summer camps and year round opportunities is to have an Advocate for your church. Not only does this person help us, they provide an enthusiastic and organized way to make sure your congregation is informed about opportunities at Holmes for children, youth, family and adults. If your church doesn't have an advocate, we encourage you to find one. This person can be either an adult or a responsible senior high youth. When your church assigns a Holmes Advocate, please contact Robin Garzoni, Program Director at [robing@HolmesCamp.org](mailto:robing@HolmesCamp.org) or (845) 878-6383 and give us that name so we know who to direct correspondence.

### JOB DESCRIPTION

1. Receive all information from Holmes office concerning all camping and retreat programs.
2. Make information about the camps and retreats available to the adults, youth, and children in your congregation.
3. At the close of summer, provide an opportunity for the congregation to recognize and to hear some of the campers tell about their experiences.
4. If you have problems or questions, contact the Holmes office.
5. Be an enthusiastic supporter of the tremendous ministry we have through Christian Camping!

### PROMOTIONAL SUGGESTIONS FOR THE HOLMES ADVOCATE

- Put announcements in weekly church bulletins or monthly newsletters.
- Hang posters, brochures, etc. about camp in a prominent spot in your church.
- Have a "Camp Night": Invite past campers to share their experiences with potential new campers and parents. This can also be a time for people to ask questions.
- Share in the worship service about the ministry that is going on at Holmes.
- Stop in and speak about camp with each of the church school classes.
